Today, President of Planned Parenthood Federation of America Cecile Richards, testified before the House Oversight and Government Reform Committee on PPFA's use of taxpayer funding. During testimony, she falsely asserted that, "we've never stated that we did" provide mammograms.

"An affiliate isn't a health center. I think I spoke earlier, we do not have mammogram machines at our health centers. And we've never stated that we did. As was mentioned earlier, for women who who go for a breast exam, if you need a mammogram, your referred to a radiological clinic."
